

Ledyard Water Pollution Control Authority

Public Water System (PWS) Name

_____ DWSRF Project Identifier (DPH to assign)

**State of Connecticut – Department of Public Health
Drinking Water State Revolving Fund (DWSRF) – Project Eligibility Application**

SYSTEM CONSOLIDATION PROJECT WORKSHEET

This information is very important. If your project is a consolidation, acquisition, transfer of ownership, interconnection or water main extension project, please return this page with your eligibility application to earn points. A copy of this form should be completed for EACH system to be consolidated, whether public or private. Water main extensions to private wells with public health code violations will need to provide the number of homes to be served and documentation of the well(s) public health code violations.

NOTE: A written letter of intent/agreement with the water system/private homeowner(s) you propose to serve indicating the water system's/private homeowner's intent/agreement to connect must be provided with this worksheet.

Proposed System Served	PWSID (if applicable)	Population Served (number and type)	Number of Connections
Avery Hill Trailer Park	CT 0720061	127	47

1. Do you currently own this water system? Yes No
2. Do you propose to take over ownership of this water system? Yes No
3. Are you providing water or will you provide water service to this system through an interconnection with your system? Yes No
4. Has the system experienced documented instances of water distribution outages? Yes No (if yes, provide documentation) **SEE ATTACHMENT B**
5. Does the system lack adequate disinfection? Yes No (if yes, provide documentation)
6. Is the system's documented water production capability less than the minimum required by the DPH? Yes No (if yes, provide documentation)
7. Is the system's water storage capacity less than the minimum required by the DPH? Yes No (if yes, provide documentation)
8. Has the system experienced documented instances of water distribution pressures below 25 pounds pressure per square inch? Yes No (if yes, provide documentation)
9. Has the system experienced documented instances of water contaminants exceeding the primary or secondary Maximum Contaminant Level (MCL)? Yes No (if yes, provide documentation)
10. Is the system experiencing water distribution losses of greater than 25%? Yes No (if yes, provide documentation)

For each "Yes" answer above, please indicate the solution proposed by this project:

Identified Problem from checklist above (Item #)	Proposed Solution
1	Ledyard WPCA currently owns the system
3	The proposed watermain extension will connect the Gales Ferry system to Avery Hill Trailer Park system
4, 6, & 8	Replace well supply that went dry
