4. Presentation by applicant and/or consultants:

Bob Shuck and Chris McCullough have presented signed and sealed drawings to the planning office. The town engineer reviewed the revised drainage basin design that contains a retention basin that will prevent leaves, trash, etc. from plugging the drain. The town engineer is satisfied with this re-design. An easement for drain basin will be required.

5. Questions from Commissioners:

None

6. Statement of Citizens In Favor of the application:

None

7. Statement of Citizens Opposed to application:

None

8. Rebuttal by applicant and/or consultant:

None

9. Adjournment/Continuance: The public hearing was adjourned at 7:42 p.m.

Respectfully Submitted,

Ed Lynch, Secretary
