Re: Reynolds; 10 Wolf Ridge Gap

Sandra Reynolds and Linna Rouquayrol propose to resubdivide their property at 10 Wolf Ridge Gap in order to create 9 Wolf Ridge Gap as originally configured and approved by the Ledyard Planning Commission in 1994. I am forwarding 5 copies of plan prepared at scale of 1"=100' showing this proposal and 3 copies of 1994 plan at a scale of 1"=40' 9 and 10 Wolf Ridge Gap with topography, conceptual layout and test hole data.
